Acquisition Broadens and Diversifies LSI's Marketplace by Adding a European Base of Commercial Buyers and Sellers

WASHINGTON--(BUSINESS WIRE)--May 6, 2008--Liquidity Services, Inc. (LSI), a leading online auction marketplace for wholesale, surplus and salvage assets, announced it has completed the acquisition of the Geneva Group, including Geneva Industries Ltd., Willen Trading Ltd., and Geneva Auctions Ltd. (Stock Auctions) for approximately \$17.2 million in cash and contingent earn-out payments worth up to an aggregate of approximately \$2.9 million payable over the next three years. The final purchase price is based on purchase price adjustments as outlined in the purchase agreement. The Geneva Group is a leading United Kingdom (UK) based remarketer of reverse supply chain merchandise, including customer returns and overstock merchandise. The Geneva Group serves leading UK retailers and manufacturers with a product focus on consumer electronics, technology equipment and hard goods general merchandise. The effective date of the closing is May 1, 2008.

"This acquisition strengthens LSI's business by adding Geneva's longstanding seller relationships in the European Union (EU) with significant organic growth opportunities, as well as a complementary buyer network of UK-based wholesalers and EU exporters developed over the last 18 years," said Bill Angrick, Chairman and CEO of LSI. "Geneva's buyer base will augment LSI's marketplace by adding untapped international demand for consumer electronics and general merchandise. Geneva brings to LSI strong industry knowledge and proven expertise in asset merchandising and remarketing of reverse supply chain goods."

"The Geneva Group will benefit greatly from LSI's expertise in managing and reselling goods flowing through the reverse supply chain, paving the way for solid growth in the European market. Through the sharing of technology and best practices, together we will be able to better serve our sellers and buyers," said David Jacobs, President of the Geneva Group.

LSI expects the transaction to add approximately \$8.0 million in revenues and to be neutral to earnings in its fiscal year 2008 results.
