Partnership Expands Asset Remarketing Services to Biopharmaceutical, Electronics, Fast-moving Consumer Goods and Industrial Manufacturers in Ireland

WASHINGTON & LONDON--(BUSINESS WIRE)--Sep. 29, 2016-- [Liquidity Services](#) (NASDAQ: LQDT), a global solution provider in the reverse supply chain with the world's largest marketplace for business surplus, announced today that it has entered into an agreement with [Indassol](#), an industrial asset consultancy firm with offices in Dublin, to provide negotiated sale and auction services to biopharmaceutical, electronics, fast-moving consumer goods and industrial manufacturing clients located in Ireland. Assets will be sold on [GoIndustry DoveBid \(http://www.go-dove.com\)](http://www.go-dove.com), a Liquidity Services marketplace where more than \$1 billion of industrial manufacturing assets across 450 categories have been sold to a global audience of registered industry buyers.

"Liquidity Services is pleased to partner with Indassol and is looking forward to working with them to expand our service offering for industrial manufacturers in Ireland," said Gardner Dudley, president of Liquidity Services' Capital Assets Group. "This partnership will deliver clients a superior auction and sales platform and, in turn, expand our reach to more international buyers than ever before, generating more competitive bids and a greater return on investment for our clients."

"Indassol is delighted to have the opportunity to work alongside the global market leader in the industrial asset management business," said John Moore, managing director of Indassol. "Our ability to offer a comprehensive range of downstream services will help to expand our partner's service offering to clients in Ireland."

Liquidity Services and Indassol are actively taking new consignments in Ireland.
